### Town of Groton Seeks Public Comment on 2019 Stormwater Annual Report

The Town of Groton Stormwater Management Plan was developed to meet the requirements of the Connecticut Department of Energy & Environmental Protection (DEEP) "General Permit for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems," also known as "the MS4". An Annual Report summarizing the plan's progress in the last year will be available for public comment beginning February 14, 2020. This report will be of interest to those concerned with the health of local surface waters such as the Thames, Poquonnock, and Mystic Rivers or Long Island Sound.

At that time, questions and comments will be welcome from the public. This required review period will end March 16, 2020. To view the report, visit the Town of Groton Stormwater page at: [www.groton-ct.gov/depts/pubwks/storm.asp](http://www.groton-ct.gov/depts/pubwks/storm.asp). Hard copies will also be available at these locations:

- ◆ Town Hall Annex, 134 Groton Long Point Rd, Groton -- OPEN Monday - Friday, 8:30 a.m. to 4:30 p.m.
- ◆ Groton Public Library, 52 Newtown Road, Groton -- OPEN Monday - Thursday, 9 a.m. to 9 p.m.; Friday 9 a.m. to 5:30 p.m.; Saturday 9 a.m. to 5 p.m.; Sunday 1 p.m. to 5 p.m.
